# CORPORATE PARTNERS

## BECOME A CORPORATE PARTNER

Independence Historical Trust (Trust) is the philanthropic partner to Independence National Historical Park, the national park in Philadelphia that is home to Independence Hall, a World Heritage Site.

It was here, in this city, that our young nation took its first steps. The Trust, working with the National Park Service preserves and protects the historic buildings and artifacts not because they are relics from the American Revolution but because they are beacons for the future.

Along with preserving our history, we also enhance the green landscapes of the park to show off our historic city to the over 5 million visitors a year. Our visitation is growing as we near the 250th anniversary of our country in 2026.

Your successful corporate identity benefits from your location near these internationally recognized cultural assets. Won't you join the growing number of businesses who support Independence National Historical Park?
